

SAN PABLO AVENUE

ROADWAY REHABILITATION PROJECT

January 2005

CONSTRUCTION UPDATE NOTICE

Driveway and Sidewalk Construction Expected to Begin in Mid-January 2005 on the East Side of San Pablo Avenue at 35th Street and Progress North

PROJECT BACKGROUND

Caltrans has identified San Pablo Avenue as an important corridor in need of roadway repair and other maintenance improvements. In general, the project will include: removal of the existing pavement (grinding), placement of new asphalt pavement, reconstruction of driveways at some locations to meet Americans with Disabilities Act (ADA) standards, repairs to sidewalks, curb ramps, and curb and gutter drainage systems, improved signage and signal and lighting standards, and improved ADA access and bus stop foundations.

CONSTRUCTION ACTIVITY SEQUENCE & PROPOSED SCHEDULE ALAMEDA COUNTY PORTION OF SAN PABLO AVENUE

Mid-January 2005 through Spring 2005

Driveway, Sidewalk & Signal Improvement Work

Driveway, sidewalk and signal improvement work will occur first. Construction activities will begin at 35th Street on the east side of San Pablo Avenue and progress north approximately three blocks at a time ending at the Alameda County line. At some point, crews will begin working on the west side of San Pablo Avenue progressing south.

Spring 2005 through Winter 2005/2006

Roadway Rehabilitation Work

Pavement removal (grinding) and paving work on the roadway is expected to begin in spring 2005. A notice will be mailed prior to this work with information on what to expect during roadway construction activities.

Note: *The construction schedule is subject to change. The public will be notified if changes occur.*

WHAT TO EXPECT DURING CONSTRUCTION OF SIDEWALK, DRIVEWAY & SIGNAL IMPROVEMENTS

Construction Hours

- 7:00 a.m. to 5:00 p.m. (Monday – Friday)
- 10:00 a.m. to 3:00 p.m. (Monday – Friday, for work involving a traffic lane closure)

Additional weekend and night work on the sidewalks and driveways is possible.

Traffic Control

Crews will be working in the parking lane and at some locations in one traffic lane. Detour signs will direct traffic through the detour. Closure of the roadway traffic lane is not expected to occur during commute hours in order to minimize traffic delays.

AC Transit

Bus stops may need to be relocated temporarily. Signs will be posted to direct riders to the temporary bus stop locations.

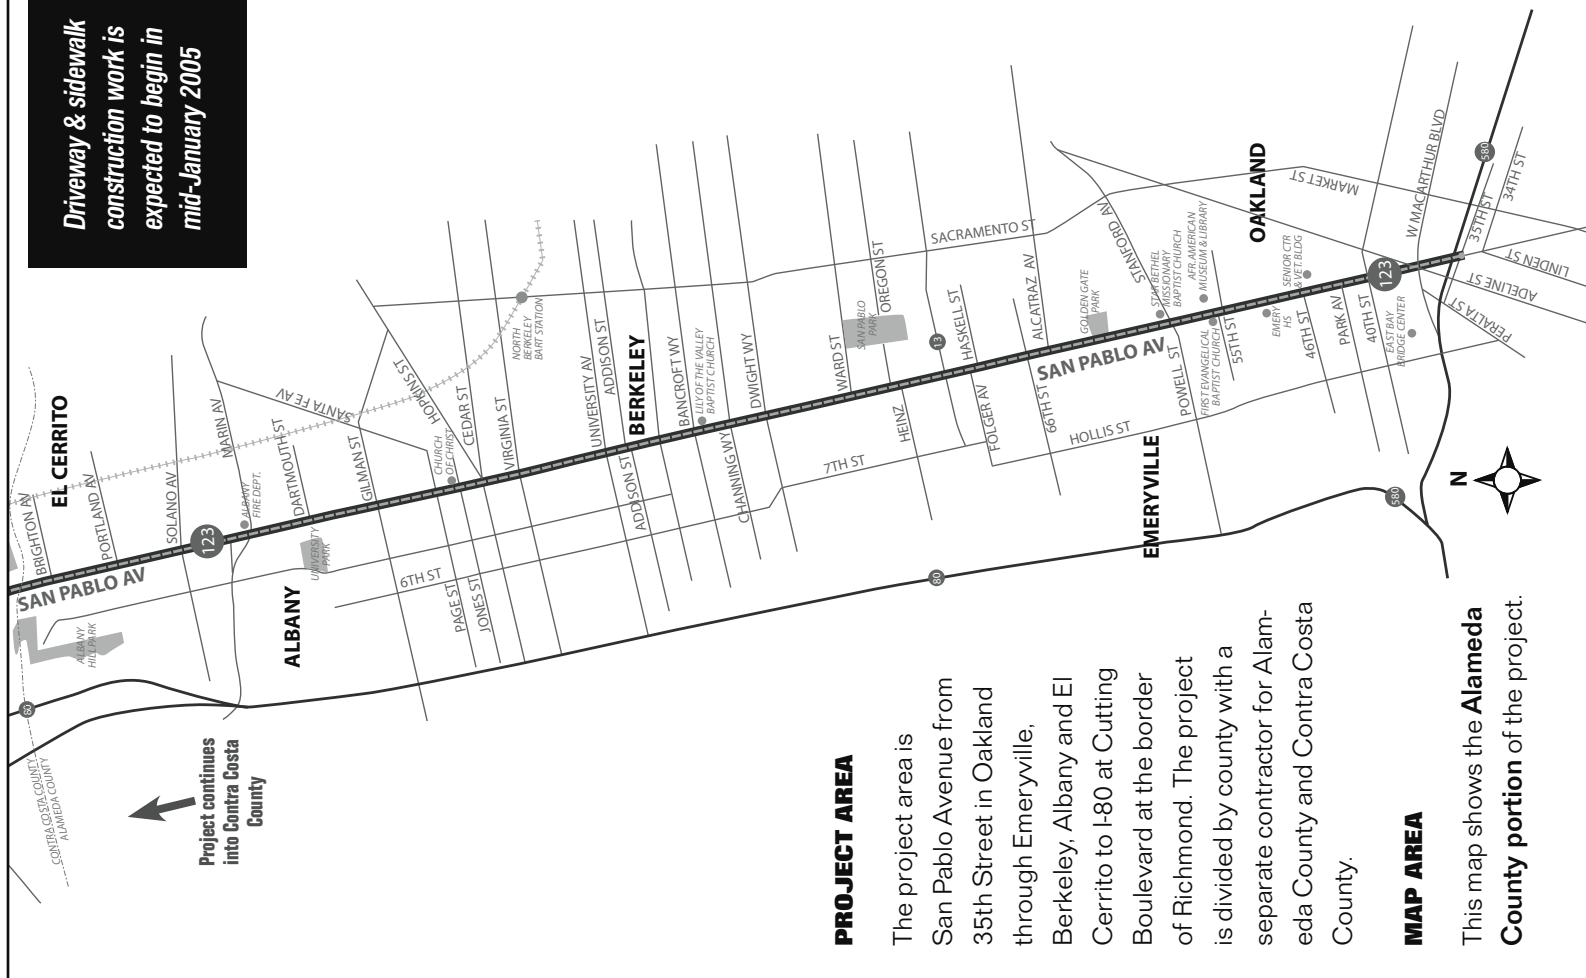

Parking Restrictions

Street parking will be restricted in construction zones during construction hours. Refer to posted 'no parking' signs for exact times and locations.

Sidewalk & Driveway Access

Some sidewalk and driveway access will be closed temporarily. Affected residents and businesses will be contacted in advance.

Driveway & sidewalk
construction work is
expected to begin in
mid-January 2005

PROJECT AREA

The project area is San Pablo Avenue from 35th Street in Oakland through Emeryville, Berkeley, Albany and El Cerrito to I-80 at Cutting Boulevard at the border of Richmond. The project is divided by county with a separate contractor for Alameda County and Contra Costa County.
